

Tavern Run driving Directions to Harpers Tavern Area

~we do **NOT** offer/use GPS points, it has proven inaccurate along the creek~

These directions are to where we will meet-up for the Tavern Run trip, this is where you will park before we shuttle you upstream.

- ▶ where you park your car will also be where we meet you at the end your trip
- ▶IF it is easier to find our meet-up location by first driving to nearby Harper's Tavern address: 10486 Jonestown Rd, Annville, PA 17003 **NOTE**- you need to continue to follow printed directions (below). We meet-up on Jonestown Rd. approximately 100 yards east of the Harper's Tavern intersection (blinking traffic light). **Relative to the front side of tavern**, you will need to go right, upstream, paralleling creek.
- ▶The space you will park is only 100 yards from the blinking traffic light--a wide gravel berm on the creek side of the road.
->*PLEASE do NOT park in* second, slightly larger lot 150 yards from the blinking traffic light. The rural fire hydrant (vertical white PVC pipe) located there should not be blocked.* *unless you are unloading kayaks/canoes
- ▶We drive a silver 15-passenger van or SUV and often tow a kayak trailer (logos on vehicles and staff)
- ▶If needed, you may call or text the Cocoa Kayak's co-owner, Ben: 717-756-5766
